

Summary of Core Training for Coach Developers

Core Training for Learning Facilitators

Core Training for Learning Facilitators is a 6-hour workshop that all Learning Facilitator candidates must take. The workshop introduces Learning Facilitator candidates to the goals and philosophy of the NCCP, teaches them how to facilitate modules, and helps them understand the instructional design of the modules.

Those who take this training will receive credit for the following modules on their NCCP transcript:

- Overview of the Workshop and the NCCP
- Functions of a Learning Facilitator
- Elements of an Effective Learning Activity
- Stages of Group Development
- Nature of the Group

Core Training for Master Learning Facilitators

Core Training for Master Learning Facilitators is an 8-hour workshop that all Master Learning Facilitator candidates must take. The workshop focuses on the functions that Master Learning Facilitators perform in the NCCP. These functions include how to select, train, evaluate, and mentor Learning Facilitators.

Those who take this training will receive credit for the following modules on their NCCP transcript:

- Role of the Master Learning Facilitator
- Selecting Learning Facilitators
- Training Learning Facilitators
- Evaluating Learning Facilitators
- Mentoring Learning Facilitators

Core Training for Evaluators

Core Training for Evaluators is a 5-hour workshop that all Evaluator candidates must take. The workshop focuses on the evaluation principles and processes that Evaluators need to follow when evaluating coaches.

Those who take this training will receive credit for the following modules on their NCCP transcript:

- Overview of the NCCP
- The Certification Process
- Learning to Debrief
- Action Planning

Core Training for Master Evaluators

Core Training for Master Evaluators is an 8-hour workshop that all Master Evaluator candidates must take. The workshop focuses on the functions that Master Evaluators perform in the NCCP. These functions include how to select, train, evaluate, and mentor Evaluators.

Those who take this training will receive credit for the following modules on their NCCP transcript:

- Role of the Master Evaluator
- Selecting Evaluators
- Training Evaluators
- Evaluating Evaluators
- Mentoring Evaluators
