BC GAMES COACH MENTORSHIP PROGRAM

2020 BC WINTER GAMES

The BC Games Coach Mentorship Program is a partnership between viaSport and the BC Games Society. It is designed to support the development of key mentors within sports, thereby increasing the current capacity of sport leaders in BC.

PROGRAM OBJECTIVES

The BC Games Coach Mentorship Program seeks to:

- Support PSOs in targeted coach development, through mentorship
- Build capacity in coaching leaders in BC, by increasing their confidence and competence to act in mentorship roles
- Introduce a basic mentorship model in sport, that could be used for to develop a variety of roles

PROGRAM STRUCTURE

The BC Games Coach Mentorship Program will consist of a Master Mentor contracted by viaSport to provide support to sport specific mentor coaches. Provincial Sport Organizations can then identify a Coach Mentor that will be assigned to work with one or more apprentice coaches or selected zone coaches leading up to and during the BC Games. The Master Mentor will meet with each PSO and Coach Mentor at the start of the program to create a personal development plan for the Coach Mentor, and determine how they can best support their assigned apprentice coaches or BC Games zone coaches, based on the need of the sport. Throughout the remainder of the Program, the Master Mentor will have regular check-ins with the Coach Mentor to provide ongoing support and resources.

Mentorship scenarios could be as follows:

- The Coach Mentor directly supports an Apprentice Coach who is attending the BC Games as part of this Program.
 - Coach Mentor and Apprentice Coach may be in addition to the sport's technical package.

- The Coach Mentor supports one or more specific BC Games zone coaches (that are allocated within the sport's technical package only).
 - The Coach Mentor is in addition to the sport's technical package. All coaches supported by the Coach Mentor are already included in the sport's technical package.
- A combination of the above.

The program will support up to 10 Coach Mentors for the 2020 BC Winter Games. PSOs may nominate multiple Coach Mentors, however they will be asked to indicate the priority ranking for the Coach Mentors. The program will attempt to support as many PSOs as possible; therefore, multiple Coach Mentors from one sport will only be accepted if space is available.

PSOs will be responsible for nominating coaches for this Program.
