Return to normal sport competitions for both indoor and outdoor sport

**ALL STEPS:** Transition between the steps will be dependent on case counts, hospitalizations, and vaccination rates. Sport specific COVID-19 guidance documents and safety plans should be adapted to fit the steps outlined in this Return to Sport Restart 2.0 Chart.

**Note:** Previous Return to Sport plans had sport groupings (i.e. Group A, B, C, and D sports) as well as a cohort model. These concepts no longer apply to the Return to Sport Restart 2.0. The focus for Restart 2.0 is indoor and outdoor. Sports must follow the restrictions based on if the sport is taking place indoor or outdoor (e.g. if a typical indoor sport shifts to an outdoor setting, the sport follows outdoor rules).
